1. PURPOSE

- 1.1 To submit a report as provided for in terms of Regulation 5(3) of the Regulations promulgated under the MLRA, with regard to appeals by 12 Appellants in the West Coast Rock Lobster Nearshore Fishery (Zone C) ("the Appellants").

2. GROUNDS OF APPEAL

- 2.1 The grounds of appeal by 12 Appellants relates to the decision by the Delegated Authority not to allow applicants who have been classified as being medically unfit (excluding people with permanent disabilities) to become successful in the fishery.

3. DELIBERATIONS

- 3.1 In line with the sector-specific policy objectives of promoting access to youth, women and people with disabilities, and further to promote meaningful participation in the fishery through **active involvement** of rights holders (i.e. to reduce the risk of paper quota holders), while also being mindful that rights are being allocated for a 15 year period, the Delegated Authority decided that applicants older than 65 years of age and/or who have been classified as being medically unfit (excluding persons with permanent disabilities) would become unsuccessful in order to prevent paper quota holders.
- 3.2 In terms of the Employment Equity Act, 1998 (Act No 55 of 1998) as amended defines people with disabilities as people who have a long-term or recurring physical or mental impairment which substantially limits their prospects of entry into, or advancement in, employment.
- 3.3 The applications of the 12 Appellants were unsuccessful in the West Coast Rock Lobster Nearshore fishery due to being medically unfit are as follows:
