

Assistant Meteorological Technician: Marion Island | [two (02) posts] approximately 15 months contract (OC 06/2024)

Salary: R 241 485 (plus 37% lieu in benefits). Permanent SAWS employees will have a different payment structure of benefits.

Centre(s): Marion Island

- Grade 12 with Maths and Science / Grade 12 with National Weather Certificate; coupled with two (2) years' experience in weather observation.
- Previous island experience will be an added advantage.
- Technical competencies: communication and interpersonal skills etc.
- Candidates must be willing to work shifts (both day and night shifts) and on public holidays, in possible adverse weather conditions.
- Candidates must be punctual, dedicated, precise and be willing to work in a team, as well as on their own.

Duties:

- Assist and actively participate in the running of the surface meteorological and atmospheric research project assigned by the Marine Section of SAWS.
- Perform surface meteorological observations, conduct upper-air balloon releases and maintain and verify all equipment at the remote station of Marion Island.
- Conduct quality control of data and when required or perform tasks within the prescribed scope of work as delegated by the Senior Meteorological Technician.
- Assist other team members with logistical and administrative tasks associated with the general running of the base.
- Conduct all duties in accordance with the rules, regulations and standards as set out by the South African Weather Service.

NOTE

- The incumbent will execute duties at Marion Island Base and adhere to the health, safety and environmental requirements.
- The successful applicant will spend a full year (April 2024 to May 2025) at Marion base.
 - There is no option to return to South Africa before May 2025.
 - The ability to work and live with small groups of people is thus essential.
- Although the base is well-equipped with e-mail, fax and satellite telephone facilities, the applicant has to be self-sufficient and self-motivated. The location may affect both the physical and mental well-being of the incumbent, their family and close relationships.
- Candidates must be physically fit, mentally strong and prepared for physically challenging and satisfying work.
- In addition, the successful candidates may often be called upon to work long hours in extreme conditions on duties unrelated to their function.
- Short-listed candidates will be subjected to screening and security vetting to determine their suitability for employment.
- Appointment to these positions is subject to a rigorous medical examination as well as psychometric assessment, which will be arranged for at no cost to the applicants
