

EVENT SUSTAINABILITY REPORT for the Greening Programme

In hosting the
United Nations Framework Convention on Climate Change (UNFCCC),
17th Conference of Parties (COP17) and 7th Meeting of Parties (CMP7)
to the Kyoto Protocol.

Table of Contents

	Acronyms	6
	Acknowledgements	7
	Foreword	9
	Executive Summary	11
	1 Introduction	18
	1.1 Report purpose	18
	1.2 Report Scope and Boundary	19
	1.3 UNFCCC and COP17/CMP7	21
	1.4 Conference overview	23
	2 COP17/CMP7 Sustainability Approach	26
	2.1 Greening Strategy	26
	2.2 Greening Programme	26
	2.3 Activities	27
	2.4 Institutional Arrangements	29
	3 Climate Change Response Expo	32
	3.1 CCR Expo Greening Strategy	32
	3.2 Encouraging event greening behaviours	32
	3.3 Green Design and Green Exhibitions	32
	3.4 Sustainable Energy	34
	3.5 Water Management and Sanitation	37
	3.6 Waste Management	39
	3.7 Protecting and enhancing biodiversity	43
	3.8 Eco-procurement	44
	3.9 Transport	45
	3.10 Communication and Education	46
	3.11 CCR Expo Legacy	48
	3.12 Lessons Learnt	50
	4 Carbon Emissions	54
	4.1 Event Carbon Footprint	54
	4.2 Carbon Balance	55
	4.3 Carbon Avoidance	56
	4.4 Carbon Reduction	57
	4.5 Carbon Sequestration	58
	4.6 Carbon Offset	58

5	Resource Management	59
	5.1 Energy	60
	5.2 Water Management	61
	5.3 Waste Management	61
	5.4 Biodiversity Protection and Enhancement	63

6	Inclusive Communities	65
	6.1 Cato Manor Green Street	66
	6.2 Sustainable Energy Access for All	67

7	Sustainable Transportation	70
	7.1 Travel to South Africa	70
	7.2 Overview of Intra-City Transportation	70
	7.3 Motorised Transport	70
	7.4 Non-Motorised Transport	73
	7.5 Communication of transport initiatives	74

8	Marketing, Communications and Awareness	76
	8.1 Greening of Workstreams	76
	8.2 Media, Internet & Publications	77
	8.3 Events	78
	8.4 Outreach Programmes: National, Provincial and Local Government	81
	8.5 Outreach Programme: Climate Train	83
	8.6 Outreach Programme: SA Agulhas	85
	8.7 Outreach Programme: Living Beehive	85
	8.8 Outreach Programme: Clean Technology	86
	8.9 Outreach Programme: Volunteers and Interns	87
	8.10 Stakeholder Response	88

9	Conclusion	94
----------	-------------------	----

10	Global Reporting Initiative Index	96
-----------	--	----

11	Appendices	99
-----------	-------------------	----

11.1	Appendix 1: Side-events and greening of side events	100
11.2	Appendix 2: Stakeholder Engagement	106
11.3	Appendix 3: Composition of the highest governance structure	108
11.4	Appendix 4: CCR Expo Green Stand Awards	109
11.5	Appendix 5: Distance from each stop to Central Transport Hub	111
11.6	Appendix 6: Motorised and Non-Motorised Transport Maps	112
11.7	Appendix 7: Provincial Climate Change Initiatives	114
11.8	Appendix 8: Visitors Survey	116
11.9	Appendix 9: EC8 Development and impact of infrastructure investments and services provided primarily for public benefit through commercial, in-kind, or pro-bono engagement	120
11.10	Appendix 10: Flagship projects	121
