

CLEANSING AND SOLID WASTE UNIT

2013 WASTE KHORO 14/10/13

Presented By : Nana Ndlovu
Manager : DSW Education &
Waste Minimisation

PUBLIC AWARENESS CAMPAIGNS WITHIN ETHEKWINI METRO

2013 Theme

“Making the Management of Waste a collective effort.”

- Centralized around the:
- National Development Plan,
- Outcome 10 service delivery agreements, and the National Waste Management Strategy which prioritizes the development of clean and sustainable environments for all and most importantly, the participation of all citizens in development matters.
- Waste management is central to the improvement of the standard of living and has a potential to alleviate poverty through job creation opportunities which exist in waste collection, recycling and other forms of waste management in general.
