Department:  
Agriculture, Forestry and Fisheries  
REPUBLIC OF SOUTH AFRICA

Reference: West Coast Rock Lobster (Nearshore): Zone C Appeals

## THE MINISTER

---

### REPORT IN TERMS OF REGULATION 5(3) OF THE REGULATIONS PROMULGATED UNDER THE MARINE LIVING RESOURCES ACT, 1998 (ACT No. 18 OF 1998) ("THE MLRA"): APPEAL IN TERMS OF SECTION 80 OF THE MLRA: WEST COAST ROCK LOBSTER (NEARSHORE) FISHERY: ZONE C APPELLANTS

#### 1. PURPOSE

- 1.1 To submit a report as provided for in terms of Regulation 5(3) of the Regulations promulgated under the MLRA, with regard to an appeal by 92 Appellants in the West Coast Rock Lobster (Nearshore) Fishery: Zone C ("the Appellants").
- 1.2 The 92 Appellant's details are attached to this report as Appendix 1.

#### 2. GROUNDS OF APPEAL

- 2.1 The grounds of appeal by 92 Appellants relates to the decision of the Delegated Authority not to allow new entrants (Category B and Category C Applicants) into the West Coast Rock Lobster (Nearshore) fishing sector.

#### 3. DELIBERATIONS

- 3.1 The Department received 3423 applications in the West Coast Rock Lobster (Nearshore) fishing sector. Section 6(b) of the General Policy on the Allocation and Management of Fishing Rights: 2013 ("the General Policy") indicates that the Department expects a large number of applications for fishing rights and anticipates that, given the current limits on catch and effort in all the fisheries, not all applicants will be granted rights.

- 3.2 From the outset it was clear that number of applicants could not be accommodated in the fishery, particularly given Government's priority for the need to set aside meaningful allocations to the Small-scale sector and the fact that the fishery is over-subscribed.
- 3.3 The Delegated Authority noted the many comments received during the comment period regarding the general unhappiness around the decision to allocate 90% of the Nearshore TAC to the Small-scale sector. The Delegated Authority therefore reviewed her decision and decided to allocate 20% of the Offshore TAC to the Small-scale sector. This adjustment increased the number of successful Category A Applicants from 75 to 410. However, this still meant that a number of previous right holders would become unsuccessful in FRAP2015/16.
- 3.4 In order to accommodate the larger number of Category A Applicants (from 75 to 410), and in order to provide meaningful allocations to the Small-scale sector, the Delegated Authority decided not to allow new entrants (Category B and Category C Applicants) into the West Coast Rock Lobster (Nearshore) sector.
