PUBLIC NOTICE

2013 FISHING RIGHTS ALLOCATIONS PROCESS (FRAP): RECEIPTING DATES & SUBMISSION OF APPLICATIONS

The Department of Agriculture, Forestry and Fisheries has opened distribution centres from Port Nolloth to Richard's Bay from Monday, 22 July 2013 to Friday, 16 August 2013 to hand out application forms, policies and explanatory notes in the following eight sectors: KZN Prawn Trawl, Demersal Shark, Squid, Tuna Pole, Hake Hand Line, White Mussels, Oysters and Traditional Linefish.

The Department will be receipting completed applications and supporting documentation at the same venues that were used during the distribution process from Monday, 2 September 2013 to Friday, 13 September 2013. No extension on these dates will be allowed.

With regard to the submission of applications and supporting documents the following has to be noted:

1. Applicants must submit one original and one copy of the application form and annexures. The application, duly signed and attested, must be punched and placed into a lever arch file with a divider before each annexure. The annexures must be numbered according to the schedules.
2. The copy must be a true copy of the original and must be punched, divided and filed in the same manner as the original.
3. See "Important Information" in the application forms for more instructions on the completion and lodgement of applications.
4. Co-ops, close corporations and companies that could not register their legal entities in time and that would not have registration documents when they have to submit their applications must just submit proof that they have applied to have their legal entities registered.

For further enquiries in this regard please call the FRAP Helpline at 021 402 3576.
