**INTERNAL QUESTION PAPER NO. 28 of 2018**

**DATE OF PUBLICATION: 31 August 2018**

**Ms J Steenkamp (DA) to ask the Minister of Environmental Affairs:**

Whether the Waste Bureau will be willing to spend 1.2 million € to provide a shredder to a certain company (name furnished) to commercialise off-the-road tyre processing at mine sites; if so, what amount will the company be paid for each kilogramme of shredded tyres?

**2534. THE MINISTER OF ENVIRONMENTAL AFFAIRS REPLIES:**

The Waste Bureau may consider providing pre-processing equipment to any of its service providers following the requisite procurement processes. The amount payable will be determined by the Waste Bureau after evaluating the cost implications for such companies to provide the required services to the Waste Bureau.
