QUESTION NO. 2748 {NW3041E}

INTERNAL QUESTION PAPER NO. 30 of 2018

DATE OF PUBLICATION: 14 September 2018

Mr Z R Xalisa (EFF) to ask the Minister of Environmental Affairs:

What number of recycling plants does the Government currently own and operate?

2748. THE MINISTER OF ENVIRONMENTAL AFFAIRS REPLIES:

I am not aware of any recycling plants that are owned and operated by the Department. Most recycling plants are privately owned and managed by private companies, cooperatives and large companies. Some municipalities may decide to build and operate their own waste treatment and recycling facilities.
