QUESTION NO. 2089 {NW2243E}

INTERNAL QUESTION PAPER NO.21 of 2018

DATE OF PUBLICATION: 15 June 2018

Ms J Steenkamp (DA) to ask the Minister of Environmental Affairs:

Whether her department has any plans in place to ensure that the Waste Management Bureau depot at Klerksoord is compliant as it is missing a fence and has no water for fire safety which renders it noncompliant; if not, why not; if so, what are the relevant details? NW2243E

2089. THE MINISTER OF ENVIRONMENTAL AFFAIRS REPLIES:

The fence at Klerksoord Depot was erected in March 2018. The depot landlord has arranged to be in compliance with fire safety requirements by end of June 2018. The process of erecting a borehole following a lack of response to an application for water connection from City of Tshwane is underway.
