1. PURPOSE

- 1.1 The Department of Forestry, Fisheries, and the Environment (DFFE) is seeking to invite experienced and suitable accredited training provider(s) for the implementation of Occupational Health and Safety (OHS) compliance training short skills programmes, benefiting participants of the in-house implementation model projects implemented within the Environmental Programme (EP) in Limpopo, North-West and Mpumalanga provinces.

2. INTRODUCTION AND BACKGROUND

- 2.1. The Department through the Branch: Environmental Programmes (EP) initiated the in-house implementation model projects to address service delivery and contribute towards disaster recovery in areas that were affected by the extreme weather conditions, that led to severe environmental degradation and pollution. The program is anchored around partnerships with local municipalities with no service providers appointed for the project management and as such administration and coordination of project activities are done internally by EP project managers.
- 2.2. EP projects are implemented under the auspices of the Expanded Public Works Programme (EPWP) which requires compliance with Occupational Health and Safety (OHS) regulations prescribed for all EPWP projects. For this reason, it is, therefore, necessary for the Department to appoint accredited training service providers for the implementation of accredited OHS short skills programmes.
- 2.3. The Department acknowledges the importance of OHS and Environmental Management and is fully supportive of the prescripts of the International Labour Organization (ILO) Convention 155 and 161, the Occupational Health and Safety Act, 1993 (Act No. 85 of 1993), and all applicable Laws and Regulations. DFFE is also committed to achieving service excellence through the provision of a safe and healthy work environment for all employees. It is against this background that the Department through Environmental Programmes committed itself to ensuring full compliance with Health and Safety Act Regulations across all its projects.
- 2.4. The earmarked trainees will be trained in various District and Local Municipalities within Limpopo, North-West and Mpumalanga Provinces as outlined in the tables below referred to as **Annexure A**:
