## **1. PURPOSE**

- 1.1 To appoint a service provider to produce annual financial statements for Kabelo Land Restitution and Development Trust for the period from 2020/21 to 2023/24 for a period of six (06) months.

## **2. INTRODUCTION AND BACKGROUND**

- 2.1 Pursuant to a 1998 Cabinet's decision to restructure State owned category A plantations in the Republic of South Africa, in terms of Section 27 of the National Forests Act, 1998 (Act No.84 of 1998 as amended). The Minister responsible for Forestry leased four (4) areas of State Forests through an open tender process to four operators for a minimum of 70 years, namely Singisi Forestry Products (Pty) Ltd (SFP); Siyaqhubeka Forestry (Pty) Ltd (SQF); Amatole Forestry (Pty) Ltd (AFC) and MTO Forestry (Pty) Ltd.
- 2.2 The Minister responsible for Forestry established the Kabelo Trust to hold and manage rental collected following the lease of State forests, for the benefit of land reform beneficiaries that held rights over the land where State forests were established. The beneficiaries of the Trust are successful land restitution claimants; communities that occupy State forests and which have been granted a right to the land. Kabelo Trust was established in terms of the National Forest Act 84 of 1998 by the Minister responsible for Forestry.
  - 2.2.1. The objective of the Trust is to:
    - Receive payments from the companies who are leasing State Forestry land affected by land reform.
    - Invest such money on behalf of land reform beneficiaries as part of the Trust property.
    - Pay lease rentals collected, and interest earned to the beneficiaries approved by Department of Agriculture Land Reform and Rural Development when they receive rights in the State Forest or part of the State Forest involved.
    - Pay the balance of all rentals received together with interest earned to the State or Ingonyama Trust where applicable when it is clear that there is no land claim approved for the particular State Forest or part of it; and
    - Pay rental money or part of that money periodically to successful claimants.
- 2.3 To effect the objectives of the trust, the Kabelo Trustees need to develop well documented policies, system procedures, laws and regulations that will govern the administration of the trust.
- 2.4 The Trustees are also expected to ensure compliance with all statutory provisions and requirements that are relevant to the Trust, and these include:

- Public Finance Management Act (PFMA) section 76 (1) C;
- Treasury Regulations (TR) – all relevant chapters;
- Trust Property Control Act, No 57 of 1988; and
- National Forest Act, 84 of 1998; or any other relevant pieces of legislation or provision that trustees deem fit.

2.5 In January of each year, the forestry companies pay lease rental into DFFE bank account. These rental funds are then transferred and invested with the Public Investment Corporation (PIC) in an interest-bearing account that is administered by the DFFE.
