NOTES: YOU MUST READ THESE

1. This Application Form is current as of 30 November 2022. It is the responsibility of the Applicant / Environmental Assessment Practitioner ("EAP") to ascertain whether subsequent versions of the Application Form have been published or produced by the competent authority. Note that this Application Form replaces all the previous versions. This updated Application Form must be used for all **new** applications. A copy of this form and its appendices must be kept by the applicant and must be attached to the renewal Application Form if / when the applicant applies for renewal of the permit (if applicable).

2. In terms of the Regulations, for an applicant to obtain this permit must provide a certificate obtained from the National Council of & for Persons with Disabilities (NCPD), which certify the applicant as a person with permanent severe mobility impairment. The contact details of the NCPD are as follows:

National Council of & for Persons with Disabilities (NCPD)	Contact details

3. This document is divided into the following sections and **all sections must** be completed in full:
- Section A: Applicant Details
 - Section B: Proposed Access and Activity Information
 - Section C: Duration of Access Required
 - Section D: Vehicle Details
 - Section E: Effect on the Environment
 - Section F: Rights of the Public
 - Section G: Mitigation and Monitoring Measures
 - Section H: Assumptions and Uncertainties
4. Please ensure that all the necessary information required as annexures or attachments to this application are provided to facilitate the consideration of your application. Applications must be submitted to the address or email listed on Page 1-2 of this Application Form. Applications not containing the required signature(s) shall not be considered by the relevant authority until such signed document(s) has / have been received.
5. The required information must be typed within the spaces provided. The sizes of the spaces provided are not necessarily indicative of the amount of information to be provided. The space provided extend as each space is filled with typing. A legible font type and size must be used when completing the form. The font size should not be smaller than 12pt (e.g. Arial Narrow 12). A digital copy of the Application Form is available on the Department's website (details on Page 1).
6. The use of "not applicable" in the Application Form must be done with circumspection and all fields must be completed. It is essential to answer all relevant questions to ensure that the application can be properly assessed. Failure to fully complete the Application Form could result in a request for further information, which could cause unnecessary delays in the processing of the application.

7. Unless protected by law, all information contained in and attached to this Application Form will become public information on receipt by the competent authority. This application must be completed and signed by the applicant. If the application is completed by a third party (such as a consultant or legal representative), then this third party's details must **also** be provided as required in this application.
8. The Department will submit your completed application for comment to the relevant provincial authority and / or manager of a protected area if your application affects a protected area. This is due to the co-operative governance requirements of the Constitution (Act No. 108 of 1996). Provincial working groups meet as required to evaluate applications for vehicle use in the coastal area. The Department will, in consultation with the relevant authority(ies), endeavour to process your application within a reasonable period of time, defined as 60 (sixty) working days, subject to inclusion of all the information required in the application form. You are therefore requested to submit your application form **at least 60 (sixty) working days prior** to the date on which you propose to use a vehicle(s) in the coastal area.
9. The timeframes stated in paragraph 7 above only commences once all required information requested in this Application Form has been submitted to the Department and includes a duly completed Application Form.
10. Additional information may be requested at any time during the application process if incomplete information was submitted or if new information requiring further investigations or information comes to light during consultation with the relevant authority(ies) or site visit(s).
11. If applicable - please note that on expiry of the previous permit issued to you, you must return the original certificate(s) issued with that permit, at your own cost, to the Department within 10 (ten) working days of the expiry of that permit.
12. Permits for carrying the purpose of access to the coastal area by a physically disable person in term so of regulation 4(1)(f) requires the payment of an application fee as published in the relevant *Government Gazette* and can be issued for a maximum period of 5 (five) years and may be renewed once for a maximum period of 2 (two) years, upon application.. The renewal Application Form and all its appendices must be submitted to the Department at least **50 (fifty) working days** before the expiry of the original permit. If the original permit lapses before a renewal application is received by the Department, a new application must be submitted to the Department (i.e. a renewal application will only be considered if received by the Department while the original permit is still valid). Submission of an application for renewal does not automatically extend the validity of the original permit; therefore the activity may not continue after expiry of the original permit unless a renewal or new permit has been granted by the Department. Permits may only be renewed once, after which a new application must be submitted.
13. Should the applicant wish to be exempted from complying with any requirements specified in regulations 4 for the granting of a permit, the exemption Application Form must be completed and submitted to the Minister. The Minister shall only issue an exemption if satisfied that granting such an exemption will not result in significant harm to the coastal area, will not seriously affect any rights of the general public to enjoy the coastal area, and is in the public interest, or alternatively in the interest of protecting the environment. The exemption Application Form can be obtained from the web address on Page 1 of this Application Form.
